Subject: Internship Extension Letter

Dear Yashas,

We appreciate your commitment and contributions during your ongoing internship with ObjectX Innovatech Pvt. Ltd. Your involvement in projects and platform development, along with a growing understanding of AI/ML applications, has been noted with appreciation.

Feedback Summary:

- You have made commendable progress in adapting to the development environment and contributing to key initiatives.
- Your collaborative attitude and technical growth have been encouraging.
- Moving forward, better time management will enhance your overall performance and professional development.

In recognition of your continued effort and learning, we are pleased to offer you a 90-day internship extension, effective 5th August 2025 and valid until 2nd November 2025.

Terms of Extension:

- Position: Junior Developer (AI/ML) - Intern
- Duration: 90 Days (Extended Internship)
- Monthly Stipend: ₹20,000 (Rupees Twenty Thousand Only)
- Reporting Manager: Ms. Pushpa
- Work Location: Hybrid / Remote (subject to project needs)

In case of an important requirement, you may be requested to report onsite. Your availability is expected unless otherwise discussed and approved with your manager in advance.

Notice Period:

- A 30-day notice period must be served by the intern if they choose to exit the organization, including in case of receiving any other job or career opportunity.
 - In case of non-compliance with company policies, misconduct, or performance-related concerns, ObjectX Innovatech Pvt. Ltd. reserves the right to terminate the internship immediately without notice.
-

All other company policies—relating to HR conduct, workplace ethics, confidentiality, intellectual property, POSH compliance, and code of conduct—remain in effect throughout the internship extension period. Any code or content developed during your internship is the intellectual property of ObjectX Innovatech Pvt. Ltd. Unauthorized use or distribution will attract legal consequences as per company and IP policy.

We look forward to your continued contributions and encourage you to make the most of this extended opportunity. A final evaluation will be conducted at the end of this period to determine future engagement.

Please sign and return a copy of this letter as your formal acceptance.

For ObjectX Innovatech Pvt. Ltd.
Dinesh Mullapudi
Founder & CEO
